Summary

Aspiring Data Engineer with a foundation in SQL, Python, and database management. Familiar with data cleaning, data transformation, ETL/ELT concepts, and data visualization using Power BI and Excel. Focused on developing reliable data pipelines and data-driven solutions to solve real-world business problems.

Technical Skills

Programming & Databases: Python, SQL, PostgreSQL, MySQL

Data Processing & Libraries: Pandas, NumPy, PySpark

Data Engineering Concepts: ETL/ELT, Data Pipelines, Data Transformation, Data Validation

Data Analysis & Reporting: Microsoft Excel, Power BI, Power Query

Tools & Environment: Git, GitHub, Jupyter Notebook, Obsidian, MySQL Workbench, pgAdmin, DBeaver

Core Competencies: Data Cleaning, Database Management, Data Integration, Data Quality

Projects

PhonePe Transaction Analysis Dashboard | GitHub

Aug 2026 – Sep 2026

Power BI, Excel, SQL, Power Query, DAX *Remote*

- Analyzed and cleaned more than 300,000 transaction records across 28 states using SQL queries and relational data models.
- Developed over 15 DAX measures in Power BI to track transaction trends, payment gateway success rates, and regional user adoption.
- Identified payment gateway failure patterns and developed insights from analysis that modeled a 12% reduction in transaction drop-offs and a 15% improvement in user retention KPIs.

Experience

Hardik Construction, Panipat

Jan 2026 – Jul 2026

Inventory Analyst | *Inventory Management, Excel, Data Reporting* *On-site | Thandla, MP*

- Maintained and validated inventory records in Microsoft Excel to support accurate stock tracking and reliable inventory data.
- Analyzed stock movements, identified inventory discrepancies, and prepared reports to support material planning and inventory control.

My Money Mantra

Jun 2025 – Nov 2025

Sales Executive | *Customer Data, Excel, Sales Reporting* *On-site | Noida, UP*

- Maintained customer records and sales lead data in Microsoft Excel to support accurate tracking and daily sales operations.
- Prepared monthly sales performance reports and analyzed trends to support business monitoring and decision-making.

Education

Bachelor of Computer Applications (BCA)

Graduated: 2025

DAV PG College, Muzaffarnagar (MSU, Saharanpur) *CGPA: 6.2 / 10*

Awards & Certifications

- **Google Data Analytics Certificate** – *Google (Coursera), 2026:* Completed 8 practical case studies involving data cleaning, dashboards, and presentations.
- **Microsoft Analytics & Fabric Modules** – *Microsoft Learn, 2026:* Covered Lakehouse, Power BI Copilot, and interactive reporting across 5+ modules.
- **Deloitte Data Analytics Job Simulation** – *Deloitte (Forage), 2026:* Solved 4 business scenarios involving statistical analysis and data visualization.
- **Data Analyst Certification** – *SkillCourse, 2025:* Covered Excel, Power BI, Advanced SQL, Python, and dynamic KPI reporting.
